DON'T be behind the times! Don't wait till whole town has a head start on you. It's time for you now—to take your place in the big job of Civilian Defense! Time for you to start helping yourself and family while you're helping America win the war.

This picture shows you some of the things neighbors are doing in the important, all-embracing Civilian Defense task. It's only a partial picture doesn't begin to show the many services of a public nature—first-aid, demolition, motor transport others—in which you can participate. It suggests a few of the things you can be doing, starting right home, if you're not already doing them.

Your friends and neighbors will tell you that fun to help. And once you've started you'll get a wonderful thrill of participation! You'll get a feeling that you're doing work that's worthwhile.

D. C. Better Government Club

A. J. Gaggero

Eugene V. Lynch

Hugh H. Smith Jr.

Recommends

Under the able leadership of Thomas Tallon, president, the Daly City Better Government Club is rapidly growing in membership. The club today announced its unanimous support of A. J. Gaggero, Eugene V. Lynch, and Hugh Smith Jr. for places on the Daly City Council.

"There is no fee for membership," Tallon said today. "Anyone with a sincere desire for a better administration of the affairs of this city is welcome to join."

The club meets every Tuesday at 6309 Mission street, formerly the Cut Rate Market, at 8:30 p. m.

Composed of civic-minded citizens, the organization's main purpose is to secure a more efficient government for Daly City. Leaders of the movement recognize the seriousness of the emergency and state that more initiative and ability will be required than ever before in the management of the city's affairs. They point out that Gaggero lives in the southern part, Lynch in the central part, and Smith in the northern part of the city, and that their election to office will mean a closer contact between the city officials and the people. This will result in a greater community interest in the administration of the city's business and a better balanced government. Gaggero, Lynch, and Smith are highly qualified for the positions on the city council, leaders stated today, because of their successful business careers, and their sincere desire for better government.

Anyone wishing further information may contact Josephine McHugh, secretary, at 247 Oliver street, DElaware 7626.

Part For Victory

to Win the War

work that counts—because you're helping to do a job that's bigger than yourself, bigger than all of us. You're helping to make history!

But Civilian Defense work is shrewdly practical, from your own personal point of view. Civilian Defense work helps contribute to the welfare and security of your own family. For every bit of saving, saving, repairing and conserving that you do for the war effort, Sam helps you, too. It helps you to continue to live a normal, happy, productive life, which is what our government wants.

Don't delay another day. Start now on your family's Civilian Defense Program, and remember that the Daly City Record, through its up-to-the-minute news columns and helpful informative advertisers, is ready to do its share in helping you to serve and conserve for victory.
